

This Too Shall Pass by OK Go

You know you can't keep letting it get you down,
And you can't keep dragging that dead weight around.
If there ain't all that much to love around,
Better run like hell when you hit the ground.

When the morning comes. When the morning comes.

You can't stop these kids from dancing.
Why would you want to?
Especially when you're already getting yours.
'Cause if your mind don't move and your knees don't bend,
Well don't start blaming the kids again.

When the morning comes. When the morning comes.
When the morning comes. When the morning comes.
When the morning comes. When the morning comes.

Let it go, this too shall pass. Let it go, this too shall pass.

You know you can't keep letting it get you down.
No, you can't keep letting it get you down.
You know you can't keep letting it get you down.
No, you can't keep letting it get you down.
You know you can't keep letting it get you down.
No, you can't keep letting it get you down.

When the morning comes. When the morning comes.
When the morning comes. When the morning comes. When the morning comes!
